

CAREER ED NEWS

WELCOME BACK!!!

SEPTEMBER 2020

Welcome to our new Professional Cook 1 students who started their program this month and began their journeys in the culinary field! And welcome back to our Piping/Plumbing and Hairstylist students who begin the 2nd half of their programs this month!

We still have spots available in our Hairstylist and Piping/Plumbing programs. We are also accepting applications for the waitlist in the Carpentry program. If you are interested, please visit your Career Advisor **ASAP** to get an application!

We are no longer accepting applications for our Auto, Electrical, Horticulture and Professional Cook 1 Programs.

YOUTH TRAIN

We've posted the first in our new series of 1-minute promo videos for our Youth TRAIN in Trades programs! Take a look inside the programs and hear from former students!

First up are the Piping/Plumbing and Hairstylist videos as we are still recruiting students for the February 2021 intake. In the coming days and weeks you'll also see the videos for the Carpentry, Professional Cook 1, Automotive Service Technician and Electrical programs go online.

The videos are posted to our SD35 Career Ed's Twitter, Facebook and Instagram:

CANADIAN UNIVERSITIES EVENT (CUE) 2020

The annual Canadian Universities Event (CUE) will not be happening in person at the Langley Events Centre this year, however, CUE 2020 will still be taking place in an online, virtual format. There will be live online events for students accessible through the CUE website. These events are not school or region specific, so you are invited to register for the date and time that works best for you. Advanced registration is required this year as their web platforms do not have unlimited capacity. Students can register here: cuebc.org

Some posters you can use to help share this info out to your students:

PARENTS AS EDUCATION AND CAREER COACHES WORKSHOP

DATE/TIME: NOVEMBER 26, 7-8:30PM

LOCATION: VIRTUAL (LINK COMING SOON)

This workshop is designed to give parents and student supporters practical tools to help them become effective career development allies for their student. We talk about the post-secondary landscape, including services available for their student such as financial aid. We will also provide them with resources and information to help guide their student as they start their career and educational journey. We will have on-line resources available for parents to download and we will explain how to use these materials during the presentation. There will be a second session offered sometime in February – stay tuned!

More info on how to sign up to come!

CHILDREN'S HOSPITAL – MINI MED SCHOOL VANCOUVER

At Mini Med School, you will have the opportunity to:
